

## **Whoa God is Good**

Written by Matt Xiong

Key of A (Capo 2 played in G)

*Intro: G – G/B – C – D*

G            G/B    C  
No matter how I mess up

                  D  
No matter how far I stray

G            G/B    C                    D  
He always finds a way for me to come back home

G                    G/B        C  
No matter all the crud in my life

                  D  
Or all the idols I take on

G            G/B    C                    D  
You're the only One who never fails me now

C                    G/B                    G/A  
We've sang this before and we'll sing it again

                  G/B    C            D  
We'll sing it forever whoa

G            C            G/B  
Whoa! God is good. God is good.

                  G/A  
He is good yeah all the time

G            C            G/B  
God is good. God is good.

                  G/A                    G  
He is good yeah all the time

No matter all the hate in this world  
No matter all the criminals  
We sing it in the hymnals, "How great Thou art"

No matter how old we get  
Let's hope we never forget  
And let bitterness get the best of us
